"OKLAHOMA"

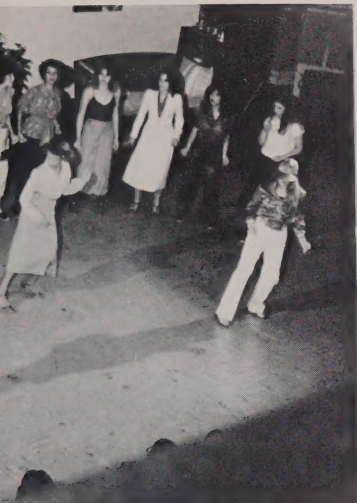

This year the Spring production by the C R L S Music Department was Oklahoma. The production was the largest effort ever by the department. The production was a system wide presentation including participants from the elementary and secondary programs, totaling over nine hundred students. The program played to capacity audiences each night. Oklahoma was well received by all who saw it and we look forward to other outstanding productions by the students of CRLS.

"LOOSE ENDS"

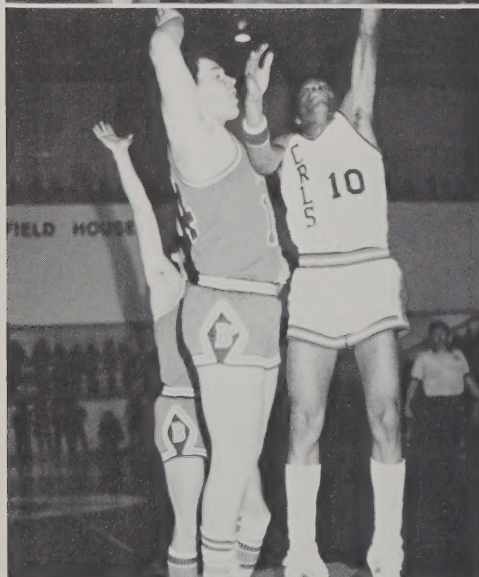

Everybody's MVP, Patrick Ewing, receives his individual award from Tourney official.

A smiling Coach Jarvis and son, along with captains Charlie Neal and Kevin Moore, accept State Championship trophy.

"We're Number One". This was most appropriate for the fans of CRLS in March of '79. Led by the exploits of "Peking" Ewing and his colleagues, Kevin Moore, Charlie Neal, Billy Ewing, Stephen Heywood and a host of others, the CRLS "B" ball team made state history. With a record of 27-0, they captured the Division One State Championship. Their victory over Holyoke, combined with the girls' victory over Saint Peter-Merian, CRLS became the first school in the state's history to capture Boys' and Girls' Championship in the same division. We salute the efforts of the coaches and the team members for giving us a "Spring to Remember".

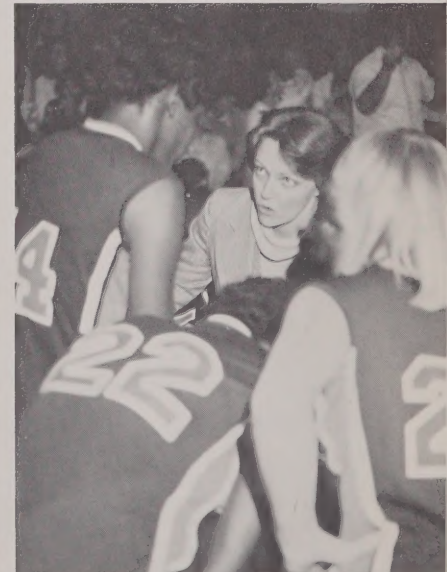

Members of the Division One State Champions line up for introductions and the national anthem prior to the Salem contest at Medford High School.

Debbie Foderingham flashes the victory smile and the state trophy as her team members and fans join in the celebration.

What a way to go out! This might be said about seniors and unfortunately the Coach of the CRLS Girls' team. For three years, seniors Debbie Foderingham, Michelle Thibault, Cheryl Williams and Sheryl Pierce had come so close. In 1977 they lost in the finals to Chicopee Comprehensive and in '78 they lost to Brockton in the E-Mass Finals at Norwell. This year they were not to be denied. Led by the above named seniors and junior Nora Maldonado, along with Sophomore sensation Medina Dixon, they entered the final game with a 19-1 record and lots of confidence. When the final buzzer sounded we were indeed **number one!!** With this final victory and fulfillment, it was sad to hear that Coach O'Callahan would be moving on. She accepted a coaching position at Boston University. Coach O'Callaghan brought the fans of CHLS and now CRLS a lot of joy and excitement, and finally a State Championship. For this we say Thank You and we wish our "Coach" the best of **Luck** at BU.

GRADUATION

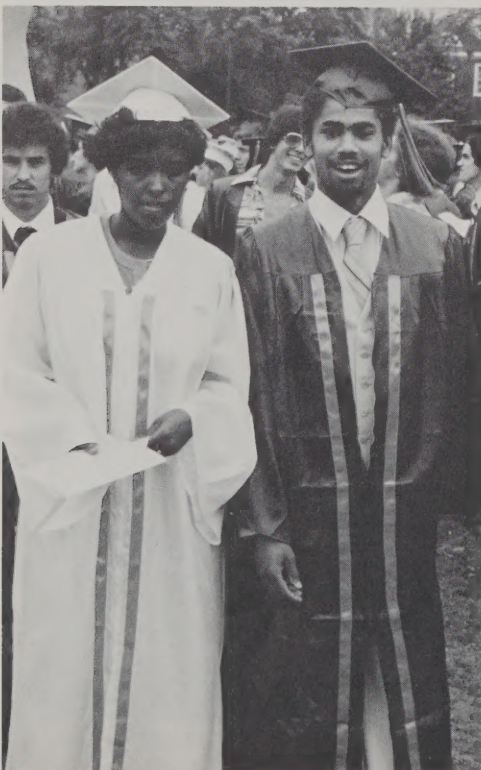

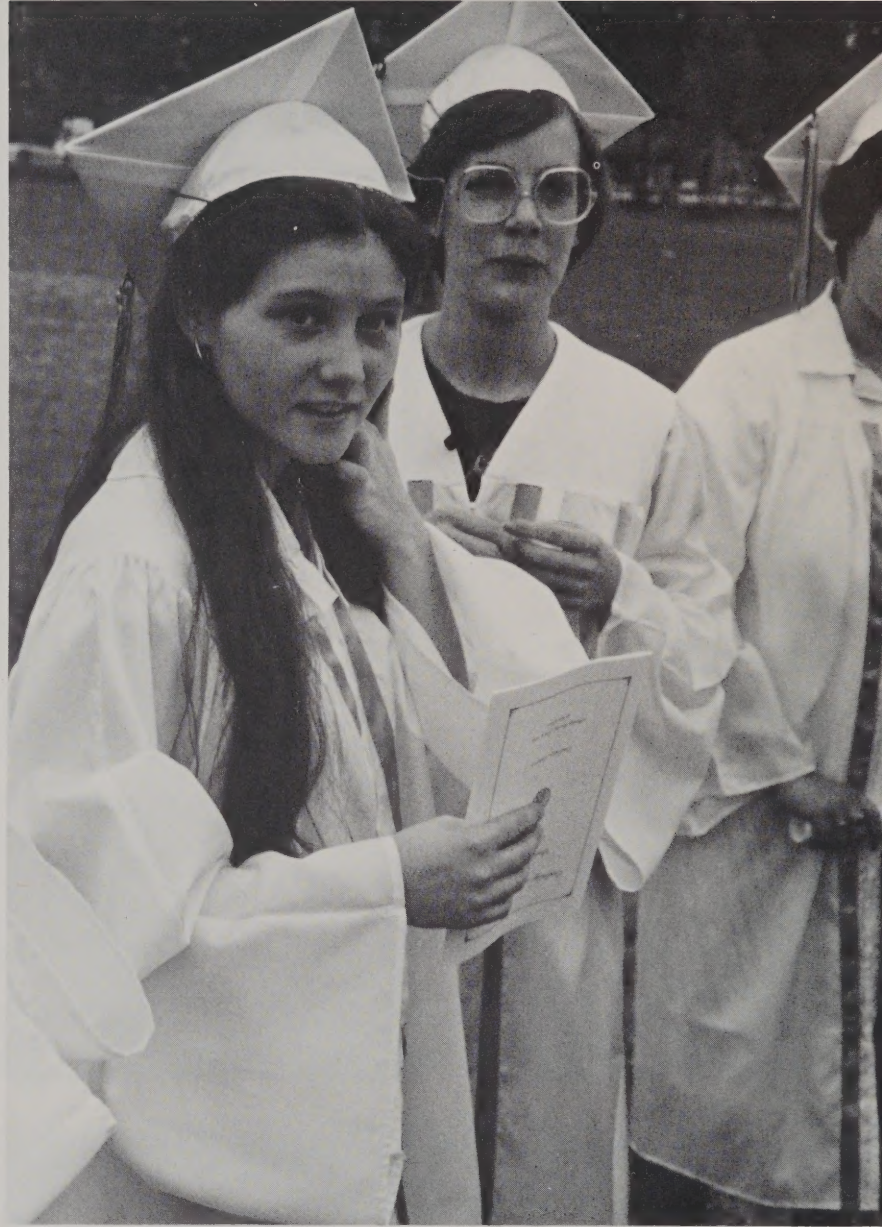

Success is doing
the best you can
It's being just
to your fellow man
It's struggling on
with the will to win
And taking defeat
with a cheerful grin
It's being true
to the faith you profess
And doing your noblest —
that's success
